

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

HILLVIEW SEWAGE SYSTEM PLANT #1, INC.)
APPLICATION FOR APPROVAL OF THE TRANSFER)
OF THE HILLVIEW SEWAGE SYSTEM PLANT #1) CASE NO. 92-458
TREATMENT PLANT TO PLANT #1, INC.)

O R D E R

By application received October 29, 1992, Hillview Sewage System Plant #1, Inc. ("Hillview") and Plant #1, Inc. request the Commission's approval to transfer Hillview's sewage treatment plant (the "Facility") located in the Maryville Subdivision, Bullitt County, Kentucky, to Plant #1, Inc. for \$145,000.

Frank Wethington is the president and owner of Plant #1, Inc. and is also the president and owner of F & W Operations, Inc. ("F & W"), the current manager of the Hillview system. F & W has been managing and operating waste water treatment plants since its inception in February of 1987 and will continue to manage and operate the Hillview system after its transfer to Plant #1.

After the transfer Plant #1 will change its name to Hillview Sewerage System Plant #1.

The Commission finds that Plant #1 has the financial, managerial and technical ability to provide reasonable service to the public and that the transfer is for a proper purpose and consistent with the public interest. The proposed transfer will not impact the customers of Hillview insofar as there will be no change in services or in the management of the utility. The

proposed transfer, as described in the joint application, is consistent with the requirements of KRS 278.020(4) and should be approved.

IT IS THEREFORE ORDERED that:

1. The proposed transfer shall be and hereby is approved.
2. Plant #1, Inc. shall give notice to the Commission within 30 days of the closing of the proposed transfer.
3. Within 20 days of closing, Plant #1, Inc. and Hillview Sewage System Plant #1, Inc. shall file with the Commission a copy of the journal entries that each entity made to record the transfer.
4. In the event the transfer does not take place, Plant #1, Inc. shall immediately notify the Commission in writing that it will not be purchasing the Hillview system.

Done at Frankfort, Kentucky, this 17th day of December, 1992.
